The school council reps met with Mr Sculthorpe, the Health Improvement Specialist from the East Sussex School Health Service, following our School being awarded the East Sussex Healthy School Status. This is in recognition of the priority the school places on the health and wellbeing of the whole school community and a commitment to continuous improvement in:

- Social Emotional and Mental Health

Mr Sculthorpe asked the reps about the work they had been doing in connection with achieving this award and asked them further questions for the re-validation of the next level of award, The East Sussex Healthy Schools Excellence Award.

Following this meeting, Mr Sculthorpe congratulated the school and sent through our certificate which we are all very proud of:
