**Subject:** Student Council - Follow up

Dear Alfriston School Council

It was lovely meeting you on 21st January. Your feedback was incredibly valuable, and we will be taking it into account as we finalise the Spring/Summer menu. Thank you for your suggestions, including pancakes, burgers, and offering a wider variety of fruit for pudding. It was also mentioned that bread isn't always available; I'm looking into this, as it should be offered daily.

You had some creative ideas around reducing food waste - the suggestion of getting a school pig certainly stood out as a favourite! You were also enthusiastic about trying new foods, so we will do some taster pots when the new menu launches. I'm more than happy to come in and support this after Easter. You also expressed interest in a student-led theme day, which I'd be happy to explore once the Spring/Summer menu is in place.

Regarding the request to have the water dispenser back, I have one ready for you and will drop it off by the end of the week. You mentioned that the current cups leave an odd aftertaste and are quite scratched. New cups have been ordered, and they will be delivered as soon as they arrive.

If there's anything else you would like to discuss, please let me know.

Kind regards,

Ellyn

East Sussex Nutritionist
