

School Council Meeting

Thursday 8th February 2024
10.00am in Mrs Hudson's office

Present: Joseph-Henry (Yr1), Tara (Yr2), Gilbert (Yr3), Oscar (Yr4), Henry (Yr5), Mrs Hudson and three more pupils

Apologies: Vasco (Reception) and George (Yr6) were at a football meeting

This week has been Children's Mental Health Week and the school council reps invited three other peers to our meeting. Everyone shared what they have been learning and doing in their classes. The theme for this year is 'My Voice Matters' and it was lovely to hear about all the things that mattered most to individual children and to admire the posters they had made.

Tomorrow we will all come to school dressed in what we feel most comfortable in as ourselves for 'Express Yourself Day'. We are celebrating what makes us unique and the school reps will find out from fellow pupils what sets them apart from someone else.

In their classes, every child is also completing the Pupil Voice questionnaire that the school council reps created at their last meeting, and so for our next meeting in Term 4 we will be sharing the feedback and seeing if there are any particular areas that we need to concentrate on.

Next meeting

Monday 26th February at 10am
