

School Council Meeting

Wednesday 19th November 2025

2.30pm in Headteacher's office

Present: Mia (Reception), Ana-Laura (Yr1), Samuel (Yr2), India (Yr3), Milly (Yr4), Otis (Yr5), Maxwell (Yr6), Mia Jarvis (Eco Captain), Mrs Adams (School Council Champion Governor) and Mrs Hudson (Headteacher)

The School Council Champion Governor

Mrs Adams introduced herself and explained her role as a Governor and how she will report back on all that the School Council reps are doing to help the school.

Reviewing school lunches

Mrs Hudson said that the County Council is in charge of the lunches at our school and currently they use a company called Chartwells to employ the staff and provide the food.

Mia (one of the School Council reps) is also our Eco Captain and the Eco Club are also interested in gathering children's views about lunch food waste as part of their work with the Eco Warriors during Eco Club with Mrs Fitzgerald.

The area manager of Chartwells has asked Mrs Hudson and Mrs Fitzgerald whether the School Council reps and Eco Captain can gather feedback about the school lunches. Mrs Hudson handed out a questionnaire and it was decided for the reps to organise time with their class teacher to complete it with the children in their class. The reps will bring back their completed questionnaire to share at our next School Council meeting in Term 3.
