Intended actions for 2024/25

What are your plans for 2024/25?	How are you going to action and achieve these plans?
Intent	Implementation
<ul style="list-style-type: none"> ➤ Purchase further playground equipment to encourage children to be more physically active and further increase the amount of opportunities. ➤ PE Subject Leader to attend network meetings and PE conference and have regular contact with 'School Games Organiser' (SGO). ➤ Purchase required PE curriculum equipment to enable teachers to continue to deliver a fun and active PE curriculum. ➤ To organise and participate in interschool matches and competitions enabling a greater number of children to participate in matches and competitions, both in school and out of school. ➤ Provide CPD opportunities for staff to ensure they gain the skills, knowledge and confidence to teach every area of the PE curriculum. ➤ Purchase PE educational platform to support teachers in delivering fun and engaging lessons in which every child can learn the skills they need to succeed. ➤ Provide swimming lessons for all children to ensure they meet/exceed the national curriculum requirement. ➤ To achieve another Gold School Games Award and apply for the School Games Platinum Award. 	<ul style="list-style-type: none"> ➤ School Council (through pupil voice) to select further playground equipment to encourage children to be more physically active during lunch play. ➤ Class cover will be arranged to enable the PE subject lead to attend network meetings, the PE conference and have regular contact with the 'School Games Organiser' (SGO). Staff meetings will be organised when required to provide feedback to teaching staff enabling them to keep up to date with their knowledge and skills in the teaching of PE and sport. ➤ Audit of the PE equipment will be carried out and any additional equipment ordered. ➤ Further increase the number of matches and competitions children have the opportunity to take part in. ➤ Organise CPD for staff, arranging class cover to enable them to participate. ➤ Purchase PE educational platform. ➤ Book and timetable swimming lessons for all year groups.

<p>What impact/intended impact/sustainability are you expecting?</p>	<p>How will you know? What evidence do you have or expect to have?</p>
<ul style="list-style-type: none"> ➤ Children will be more physically active. Regular physical activity has been shown to improve academic achievement and reduce stress and anxiety and therefore, helping to ensure there is an increase in regular physical activity will help with whole school improvement, both academically and mental health and wellbeing. ➤ PE subject lead/teaching staff will be kept informed of any changes ensuring they have the required skills and knowledge to teach PE and sport. ➤ The school will have the PE equipment needed to teach the full PE curriculum and to enable all children to fully participate. ➤ By increasing the number of matches and competitions, it will increase physical activity and give children the opportunity to try sports they may not have otherwise tried. ➤ By providing CPD opportunities for staff they will gain the skills, knowledge and confidence to teach every area of the PE curriculum. ➤ Purchase PE educational platform to engage all children by providing fun and engaging activities. ➤ Children will meet/exceed the national curriculum requirement for swimming and gain the skills to stay safe in the water. ➤ 	<ul style="list-style-type: none"> ➤ Positive pupil feedback and observations of increased physically active opportunities for all pupils. Children will associate physical activity with fun, helping to encourage future participation. ➤ PE subject lead/teaching staff will feel more confident to teach PE and sport. ➤ All equipment needed to teach PE and sport will be available. There will be enough equipment for all children to participate at the same time. ➤ Physical activity will increase and children will have the opportunity to try different sports and play competitively. ➤ Learning will be shared with other staff. Staff voice and lesson observations will show that staff are competent and confident with teaching the PE curriculum. ➤ Pupil voice will show that children are enjoying PE lessons. Children make progress. ➤ Children will be able to say how to stay safe in the water. ➤ Children will meet/exceed the national curriculum requirement for swimming.
