- I can count, read and write numbers to 100 in numerals; count in multiples of 2s, 5s and 10s
- When given a number, I can identify 1 more and 1 less
- I can identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least
- I can read and write numbers from 1 to 20 in numerals and words.

Addition and subtraction

- I can read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs
- I can represent and use number bonds and related subtraction facts within 20
- I can add and subtract one-digit and two-digit numbers to 20, including 0
- I can solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 = ? - 9$.

Year 2

Addition and subtraction

- I can recall and use addition and subtraction facts to 20 fluently, and derive and use related facts up to 100
- I can solve problems with addition and subtraction:
- I can recall and use addition and subtraction facts to 20 fluently, and derive and use related facts up to 100
- I can add and subtract numbers using concrete objects, pictorial representations, and mentally, including:
- I can show that addition of 2 numbers can be done in any order (commutative) and subtraction of one number from another cannot
- I can recognise and use the inverse relationship between addition and subtraction and use this to check calculations and solve missing number problems.

Our World

English

- I can share and enjoy fiction and non-fiction books about celebrations from around the world
- I can write for a range of different purposes including stories, instructions and posters
